

ABOUT THIS TOURNAMENT

Join us for this exciting double consultation tournament, open to backgammon players of all skill levels.

Double consultation matches can offer an interesting learning opportunity to the less experienced player when teaming up with a more experienced player.

More seasoned players might want to team up with their best mate and compete as a team against another team.

While most double consultation tournaments follow a knockout format, this tournament will be played in a Swiss format, ensuring learning opportunities and fun for everyone throughout the entire event.

Since double consultation matches last longer than regular matches, this event will consist of playing 5 matches to 5 points.

Don't miss this opportunity to challenge yourself, learn, and have fun in a dynamic team environment!
